We are on it. We are finalizing the substantive response today - It will go home with the administrator tonight for his review – and then we will turn to the comms plan for next Friday.

A comms meeting tomorrow after we get sulfoxaflo out would be fine. Derrick can set up!

Is due on the 18th so one week from tomorrow. Apologies if the program/OGC already coordinated this, but do we need to have a comms discussion w the AO including OPA, Ag & OCIR? Perhaps Friday? I hear the house is pressing Peterson to coordinate a hearing on it afterwards.
